

Washington Scholarship Program

Dear Sir or Madame:

Cinderella is a not for profit corporation designed to help young ladies earn scholarships. The young ladies who benefit from our program range from 3 to 26 years of age. We provide College Scholarships up to \$5,000.00 at our Washington State Pageant. As well as Educational Trips and Events through-out the year. We also assist younger children from ages 0-36 months with US Savings Bonds in our Baby Program.

At this time we are respectfully requesting a donation in the form of an ad page for our 2010 Washington State Finals program book that would help the local children and young ladies in your community achieve their goals of Scholarships. Ad Prices range from \$30 for a business card size Ad to \$125 for a full page Ad. Our goal is to not only assist these young ladies in receiving scholarships but also to learn confidence, positive self-identity, community involvement, health and well being, and of course long lasting friendships through their participation in the Cinderella Girl Youth Development Scholarship Program. These young ladies will be participating in interview, modeling and talent events.

Any assistance you can give our organization and these young ladies, would be greatly appreciated. Please remember that it would be an advertising write off for your business

Thank you for your time and consideration. You can contact me directly for any information on the program.

Sincerely,

Jodi Marasco

Washington State Cinderella Director
